Instructions:

This tutorial is perfect if you're either willing to get involved in the exciting world of **Coolhunting** and learn how to predict trends and make them profitable. If you want to have **a first contact with a real Coolhunter** with 11 years of experience. And also if you need to talk to someone **who can understand you if you are professionally stuck and you need direction.**

In order to enjoy this tutorial, **please send me an email when you are ready at clara@coolhuntinglab.com** to coordinate the day and time that suits you best.

Once we have defined the time and date of the meeting, **I will send you an identification number (ID), a (one use only) password and a direct link** so you can connect to the Online session (on the agreed day and time) through [Zoom.us](https://zoom.us)

*Remember that it is essential to download [Zoom.us](https://zoom.us) on your PC or mobile and create an account the first time you use it, to be able to join the Online session.
I'm looking forward to meet you!
